

# Only God Knows

## Green River Ordinance

Standing in the crossfire, shaken but I'm not afraid  
'Cause I got a truth they cannot take  
I know that he's a liar, whispering "I'm not okay"  
Words may wear me down, but I won't break.  
Ganna keep my eyes on heaven  
Ganna hear those gates swing open wide  
Ganna take the strength of Jesus to get me through this lonely fight  
Ain't no devil ganna hold me down  
Ain't no devil ganna hold me down  
Only God knows where I'm going  
Only God knows where I'm going now  
It don't come easily -- I know I got a fight in front of me  
Like Daniel and the lion's den  
You knock me down, I'm ganna rise again  
Not sure where He's leading me, but I know it's where I need to be  
Ganna keep my eyes on heaven  
Til I hear those gates swing open wide  
Ganna take the strength of Jesus to get me through this lonely fight  
Ain't no devil ganna hold me down  
Ain't no devil ganna hold me down  
Only God knows where I'm going  
Only God knows where I'm going now  
And I know I'm walking blind, but I'm reaching for Your light  
Father, raise the dead in me  
Help me make it through the night  
Walls crash around me, but I'm still alive  
Ganna keep my eyes on heaven  
Ganna keep my eyes on heaven  
Ain't no devil ganna hold me down  
Ganna keep my eyes on heaven  
Til i hear those gates swing open wide  
Ganna take the strength of Jesus to get me through this lonely fight  
Ain't no devil ganna hold me down  
Ain't no devil ganna hold me down  
Ain't no devil ganna hold me down  
Ain't no devil ganna hold me down  
Only God knows where I'm going  
Only God knows where I'm going now
