

A1 (feat. Dev)

Bobby Brackins

[Chorus]

I'm gettin' stupid cake
Get in the stupid club
Stay out stupid late
Be gettin' stupid love
Stuntin' every day
I'm solid, I'm A1
Ballin' every day
I'm solid, I'm A1
I need a stunna baby
Keep it A1, yeah
I need a stunna baby
Keep it A1, yeah
I need a stunna baby
Keep it A1, yeah
A1, yeah, A1

My lifestyle is A1, A-A1, A-A-A-A-A1

My lifestyle is A1, A-A1, A-A-A-A-A1 Flory Mayweather - I eat, sleep and breathe hits

Hit the club with the homies, leave with three chicks

Please don't step on my Louis', I'm a be pissed

On some G shit flyer than a G6

Yeah, my whole crew is gettin' paid now

Busload of honnies', I need a grayhound

Haters swing from my nuts, I need a playground

Shawties love my voice, I got a great sound

Live good, is tatted on my fingers

I'm searchin' models and R&B singers

I got an actress and she don't even act right

You can use my pick-a-ring as a flashlight [Chorus] I'm ready, oh yeah I'm hot right now

Limousines, champagne in my lifestyle

Plus yo girl let me poke like an eye-gouge

Hop in European wheels every time we ride out

Got a change car and money at the hideout

Bet I shine if it's cloudy or it's bright out

It's easy to get breezies all in my house

I got something to alleviate your dry mouth

I'm good like my credit, you know I keep it A1

Made another hit for the radio station

Two chains to compliment my Rolex

Haters so stale, oh well, we so fresh[Chorus]Check it off, and then I bring the dough back in
Flashing lights, I'm taking pictures like Kodak film
I'm takin' trips, different stripper different city
You sayin' goodbye girl, I'm sayin' hello kitty
My girl's got nice toes, I gotta keep 'em pretty
My friends go so hard, so I keep 'em with me
Warm like a chimney, bring it back like a Frisbee
In the bed, I'm bustin' hard like a semi
Automatic, signed, sealed, delivered
Baby I'm yours turn you out like a pivot
I'm good, awesome, naughty fantastic
Gotta stay fly, I'm A1, it's a habit[Chorus]
