## Jena

## John Mellencamp

An all white jury hides the executioners face
See how we are, me and you?
Everyone here needs to know their place
Let's keep this blackbird hidden in the flueOh, Jena

Oh, Jena

Oh, Jena

Take your nooses downSo what becomes of boys that cannot think straight?

Particularly those with paper bag skin

Yes sir, no sir, we'll wipe that smile right off your face

We got our rules here and you must fit inOh, Jena

Oh, Jena

Oh, Jena

Take your nooses downSomeday some way sanity will prevail
But who knows when that day might come
A shot in the dark, well it just might find its way
To the hearts of those that hold the keys to kingdom comeOh, Jena

Oh, Jena

Oh, Jena

Take those nooses downOh, hey Jena

Oh, Jena

Oh, Jena

Take your nooses down
Take those nooses off now
