

# No One Loves Me & Neither Do I

## Them Crooked Vultures

Think I saw her for the first time maybe in a news stand  
She was picking a mag and dressed oblique  
She called me baby, and was a mean lady with the song on the radio  
So I told her I was rich, then she asked could I use a dirty bitch? (of course)[Chorus]  
Then she said, 'No one loves me' neither do I  
You get what you give,  
I give goodbye  
And if I should vanish  
Don't get caught off guard  
Don't hold it against me  
Unless it gets hard(Oh, oi, oo, oop! Aaawhhha, yea, aaawhhha, that's right)Well if sex is a weapon, then smash,  
boom, pow,  
How ya like me now?  
You can't always do it right, you can always do whats left  
So I told her I was trash, she winked and laughed and said I already know  
I've got a beautiful place to put your face' and she was right,[Chorus]Cutting her loose, I'm ready to go  
People in the world, your gonna lose control  
Cut me a noose, I'm ready to go  
People in the world, your gonna lose control  
Cut me a noose, I'm ready to go  
People in the world, your gonna lose control  
Cut me a noose, I'm ready to go  
People in the world, you're gonna loseI know how to burn with passion  
Hold nothing back for future ration  
Give all you are, do not make haste  
Savor every single tasteYou get, cutI know how to be controlled  
Do what they said, son, watch your tongue  
Quick to react, to break the box  
Turn on queue, as your cell door locks  
Behind youI know how to be lost in lust  
Not because you should, but because you must  
It burns white hot, and so climbs the mile  
This lightening strike isn't always kindSo use me up  
Use me up
