

Da Ya Think I'm Sexy? (Ralphie's Retro-Disco Vox)

Ooh

Ooh

She sits alone, waiting for suggestions

He's so nervous, avoiding all the questions

His lips are dry, her heart is gently pounding

Don't you just know exactly what they're thinking? If you want my body and you think I'm sexy

Come on, sugar, let me know

If you really need me, just reach out and touch me

Come on, honey, tell me so (tell me so, babe) He's acting shy, looking for an answer

Come on, honey, let's spend the night together

Now, hold on a minute before we go much further

Give me a dime so I can phone my mother

They catch a cab to his high-rise apartment

At last he can tell her exactly what his heart meant If you want my body and you think I'm sexy

Come on, honey tell me so

If you really need me, just reach out and touch me

Come on, sugar let me know His heart's beating like a drum

'Cause at last he's got this girl home

Relax, baby, now we're all alone They wake at dawn, 'cause all the birds are singing

Two total strangers, but that ain't what they're thinking

Outside it's cold, misty, and it's raining

They got each other, neither one's complaining

He says, I'm sorry, but I'm out of milk and coffee

Never mind, sugar, we can watch the early movie If you want my body and you think I'm sexy

Come on, sugar, let me know

If you really need me, just reach out and touch me

Come on, honey, tell me so

Ooh Sugar

If you really need me, just reach out and touch me

Come on, sugar let me know

If you really need me (need me, need me, really need me

Just let me know

Just reach out and touch me

Ooh

If you really want me just reach out and touch me

Come on sugar let me know

If you really need me just reach out and touch me

Come on Sugar let me know
If you, if you, if you really need me
Just come on and tell me so
Ooh
