Memory

Ceej Jones

Homeward bound again
No tears for me my friend.
I promise I won't forget you.
See you on the other side soon.

I hope it's lovely there.
Free of pain and despair.
I'll be right here until the end,
holding your hand.

Close your eyes,
think of happy things.
The sun in July,
the snow that winter brings.
Keep holding on,
Know that I won't leave.
And when you're gone,
you will always be in my memory.

It's okay to cry.
I know you're happy inside.
You've been so strong through it all.
It's okay to let the tears fall.

Close your eyes,
think of happy things.
The sun in July,
the snow that winter brings.
Keep holding on,
Know that I won't leave.
And when you're gone,
you will always be in my memory.

It's alright just let go,
you'll be just fine this I know.
No need to be so scared,
You're gonna be just fine.

Close your eyes,
think of happy things.

The sun in July,
the snow that winter brings.
Keep holding on,
Know that I won't leave.
And when you're gone,
you will always be in my memory.
