

# Scribble

## Brainkiller

And it's okay  
And it's okay  
And it's okay  
And it's okayAnd it's okay  
You give me everything I need  
And it's okay  
You give me everything I needWhispers  
Elevators  
Bad boy  
DriveNew York girl  
Bang  
Weird thing  
HugeAmazing  
Download  
Something  
ParadiseAnd it's okay  
You give me everything I need  
And it's okay  
You give me everything I needI got your picture on  
Whispers, bad boy  
Elevator, agitator  
New York girl, corkscrew hairBang, now  
Wanna be, wanna be stars  
Through these joyous timesAnd it's okay  
You give me everything I need  
And it's okay  
You give me everything I need
