IV

Perfect Pussy

I've been talking shit about your friend
I've been lying to get attention
Thankfully none of it ever happened
Nothing ever really happensI have a habit of telling extravagant lies;
Ask anyone, they'll tell you
So why didn't I come forward?
Why didn't I?Ha ha ha, I deserve to be hurt like that
Ha ha ha, it's so funny isn't it?
Oh, why didn't I come forward?
It's not your fault that I didn't feel safe
I'm a real piece of shit, I'm a real lost cause
Dare to act like you're surviving and get thrown to the dogs
Every dog deserves forgiveness, no matter who he bit
I'm a real lost cause
I'm a real piece of shitThere's no room in this world for people who hate men
I can't warn the next one cause I can't get out of bed
I've been lying to get attention
I've been lying and lying
I think I'll just stay home forever this time
We're not standing in the back
We're safest near the exit
Because god knows you'd burn a witch to warm your hands
Support your brothers
Disregard survivors
Close your heart forever
What else can you do?
There's no room in this world for people who hate men
Fuck you
