Ooh Yeah

Moby

Ooh yeah, ooh yeah, ooh yeah
Ooh yeah, ooh yeah, ooh yeah
Ooh yeah, ooh yeah, ooh yeahOoh yeah, ooh yeah, ooh yeah
Ooh yeah, ooh yeah, ooh yeah
Ooh yeah, ooh yeah, ooh yeahIn the words, can you feel my love?
Everyone's resting, disco time, woah
Like you're flying through the night in your disco lightWalking down the street at night
The whole world just comes alight, woah
Moving through the air and you have no caresThe whole world can fall apart
Everybody likes you in the dark, woah
Moving in the colored lights and it feels so rightAll the world's gonna fall in line
Everybody else will come in time, woah
Like a feeling through the floor, but it's so much moreIn the words, can you feel my love?
Everyone's resting, disco time, woah
Like you're flying through the night in your disco lightWalking down the street at night
The whole world just comes alight, woah
Moving through the air and you have no caresOoh yeah, yeah, yeah, yeah
Ooh yeah, yeah, yeah, yeah
Ooh yeah, yeah, yeah, yeahOoh yeah, ooh yeah, ooh yeahIn the words, can you feel my love?
Everyone's resting, disco time, woah
Like you're flying through the night in your disco lightWalking down the street at night
The whole world just comes alight, woah
Moving through the air and you have no caresThe whole world can fall apart
Everybody likes you in the dark, woah
Moving in the colored lights and it feels so rightAll the world's gonna fall in line
Everybody else will come in time, woah
Like a feeling through the floor, but it's so much moreIn the words, can you feel my love?
Everyone's resting, disco time, woah
Like you're flying through the night in your disco lightWalking down the street at night
The whole world just comes alight, woah
Moving through the air and you have no caresOoh yeah, ooh yeah, ooh yeah
Ooh yeah, ooh yeah, ooh yeah
Ooh yeah, ooh yeah, ooh yeahIn the words, can you feel my love?
Everyone's resting, disco time, woah
Like you're flying through the night in your disco light
