

You

Switchfoot

There's always something in the way
There's always something getting through
But it's not me
It's you, it's you Sometimes ignorance rings true
But hope is not in what I know
It's not in me
It's in you, it's in you It's all I know
It's all I know
It's all I know I found peace when I'm confused
I find hope when I'm let down
Not in me, me
In you, it's in you I hope to lose myself for good
I hope to find it in the end
Not in me, me
In you, in you It's all I know
It's all I know
It's all I know In you, in you
It's in you, it's in you There's always something in the way
There's always something getting through
But it's not me
It's you
It's you
It's you
...
