I Get All Shook Up

Ten Years After

I get all shook up when you call my name,
I get all shook up when you call my name.
Get all shook up when you call my name,
You're the kind of woman drive a man insane.

I don't know what loving you will do,
'Cause I know what a jealous heart will do.
I don't know what to do, but I'll try to be true.
I don't know about you, but I know I love you.

Well, take this heart and soul of mine.
Well take this heart and soul of mine.
Well just take this heart and hang it on a line.
You can take this heart and soul of mine.

Wo, oh...wo, oh...don't break my heart.
Wo, oh...wo, oh...don't break my heart.
I get all shook up when you call my name.

I get all shook up when you call my name,
I get all shook up when you call my name.
Get all shook up when you call my name,
You're the kind of woman drive a man insane.

When you see what real good love can do,
Well, love makes a broken heart come through.
So I'm giving it all, now it's up to you
So let's see what real good love can do.

Wo, oh...wo, oh...don't break my heart.
Wo, oh...wo, oh...don't break my heart.
I get all shook up when you call my name.
