

Train in Vain

Annie Lennox

They say you stand
By your man
Tell me something
I don't understand
You said you loved me
And that's a fact
And then you left me
Said you felt trapped Well, somethings you can explain away
But the heartache's with me till this day [Chorus]
did you stand by me
No, not at all
Did you stand by me
No way All the times
That we were closed
I remember
These things the most
I've seen all our dreams
Come tumblin' down
I can't stay happy
Without you around So alone I keep the wolves a bay
And there's only one thing I can say [Chorus] You must explain
Why this must be
Did you lie
When you spoke to me Did you stand by me
No, not at all Now I got a job
But it don't pay
I need new clothes
I need somewhere to stay
But without all these things I can do
But without your love I won't make it through
Without you love I won't make it through But you don't understand my point of view
I suppose there's nothing I can do [Chorus: x2] Stand by me, no way
Stand by me, not at all
Stand by me, no way
Stand by me, not at all
Stand by me, no way
