Finesse

Pentatonix

Ooh, don't we look good together?

There's a reason why they watch all night long (all night long)

Yeah, know we'll turn heads forever

So tonight I'm gonna show you offWhen I'm walkin' with you (When I'm walkin' with you)

I watch the whole room change (I watch the whole room change)

Baby, that's what you do (Baby, that's what you do)

No, my baby, don't play

Blame it on my confidence

Oh, blame it on your measurements

Shut the thing down on sight

That's right

We out here drippin' in finesse

It don't make no sense

Out here drippin' in finesse

You know it, you know it

We out here drippin' in finesse

It don't make no sense

Out here drippin' in finesse

You know it, you know itNow slow it down for me, baby (slow it down)

'Cause I love the way it feels when we grind (when we grind)

Yeah, our connection's so magnetic on the floor

Nothing can stop us tonight

When I'm walkin' with you (When I'm walkin' with you)

I watch the whole room change (I watch the whole room change)

Baby, that's what you do (Baby, that's what you do)

No, my baby, don't play

Blame it on my confidence

Oh, blame it on your measurements

Shut the thing down on sight

That's rightWe out here drippin' in finesse

It don't make no sense

Out here drippin' in finesse

You know it, you know it

We out here drippin' in finesse

It don't make no sense

Out here drippin' in finesse

You know it, you know itFellas grab your ladies if your lady fine
