

# Just The Way You Are

Barry White

[ Speaking ] I never take anything for granted  
Only a fool maybe takes things for granted  
Just because it's here today  
It can be gone tomorrow  
And that's one thing that you  
Never in your life ever have to worry about me  
If I'll ever change towards you because  
Baby I love you  
Yeah I love you  
Just the way... You are...  
Don't go changing, trying to please me  
You never let me down before  
I don't imagine you're too familiar  
And I don't see you anymore  
I would not leave you in times of trouble  
We never could have come this far  
I took the good times, I'll take the bad times

I'll take you just the way you are  
Don't go trying some new fashion  
Don't change the color of your hair  
You always have my unspoken passion  
Although I might not seem to care  
I don't want clever conversation  
I don't want to work that hard  
I just want some someone to talk to  
I want you just the way you are.  
I need to know that you will always be  
The same old someone that I knew  
What will it take till you believe in me  
The way that I believe in you.  
I said I love you and that's forever  
And this I promise from my heart  
I could not love you any better  
I love you just the way you are.
