A Bad Prince

Emma Forman

My belief in love is unshaken despite the hurt
No matter what you do to me I believe it would work
Oh surrender, oh surrender is all I do
That little bit of fight is what got me in trouble with youBut I need a hero to save me from myself
Yeah, I need a hero to save me from myself
Yeah, I need a hero to save me from myself
But that's not you, that's not you
You're bad news
You're bad newsDreaming of a Prince and they sent me
Some sort of evil soul sucking fiend
Wait in desperation will set you free
All those cuts hurt, you poured salt over me
But I needed rescuing so many times
I cried your name out, and you left me stranded
But I need a hero to save me from myself
Yeah, I need a hero to save me from myself
Yeah, I need a hero to save me from myself
But that's not you, that's not you
You're bad news
Bad PrinceYeah, I need a hero to save me from myself
Oh, I need a hero to save me from myself
Yeah, I need a hero to save me from myself
But that's not you, that's not you
You're bad news
Oh, bad newsIf this was a fairytale story you'd be a bad Prince
If this was romantic literature you'd be a bad Prince
If this was not reality it would be easy to deal with
You're just a bad Prince
You're just a bad Prince
You're just a bad Prince
And I've cried out for you
But I need a hero who'll save me from myself
Yeah, I need a hero to save me from myself
Yeah, I need a hero to save me from myself
But that's not you, that's not you
You're a bad Prince, you're a bad Prince
But that's not you
You're a bad prince
