

Vultures

Phish

Blind me with ambition like a razor to the throat
Cast aside your foolish pride I'll cast the final vote
The feelings you've been waiting for are clawing thru your skin
And if you look above you'll see the vultures moving in
Timing is everything, that much I know.
Sometimes I'm faster and sometimes I'm slow
Some days vacation but some days I'm told
I've come to the end of the line
But when I can't be what's expected of me
I look at the clock and say this can't be
Watching it pass without reason or rhyme
I feel I'm suspended in time
(Repeat replacing last line with)
I see the vultures moving in (repeat)
(Fish repeats some phrases in here
"Feel I'm suspended in time")
