

Smalltown Boy

Emmon

You leave in the morning
With everything you own in a little black case
 Alone on the platform
 The wind and the rain
 On a sad and lonely face
Mother will never understand
 Why you had to leave
 For the love that you need
 Will never be found at home
Pushed around and kicked around
 Always a lonely boy
 You were the one
That they'd talk about around town
 As they put you down
 And as hard as they would try
 They'd hurt to make you cry
 But you'd never cry to them
 Just to your soul
No you'd never cry to them
 Just to your soul
