Another Step (Closer To You)

Kim Wilde & Junior Giscombe

Never, ever, felt this way before
You are the one that I am craving for

Another step nearer your heart
Another step closer to knowing you
Another step nearer your heart
I'm on my way

I never thought it could happen
Being close to someone like you
But you know this isn't just a minute affair
If we make time and take a lot of care
I love everything about it (everything)
There's such a good feel about it
And I know where I'm gonna be
If you take a step closer to me (ow-ooh)

Another step nearer your heart
Another step closer to knowing you
Another step nearer your heart
I'm on my way

I couldn't even describe it
Though I tried, I couldn't find the words
When you're stumbling through life
And love is one step away
Do you carry on or do you stay?
We've got to promise faithfully (faithfully)
To hang on to each other and never leave
That's the way love's gonna be
If you take a step closer to me (come on now)

Another step nearer your heart
Another step closer to knowing you
Another step nearer your heart
I'm on my way

The only way to deal with affairs of the heart
You've got to jump right in, doesn't matter who starts
Oh, take a step nearer, come over here

Together we can make it tonight
(Ooh ooh ooh, ooh we can make it tonight)

Another step
Another step

Another step nearer your heart
Another step closer to knowing you
Another step nearer your heart
I'm on my way

Another step nearer your heart
Another step closer to holding you
Another step nearer your heart
I'm on my way
I'm on my way
I'm on my way
