I Am A Stone

Demon Hunter

It's hard to say
That I'm back
On a straight lineYou see my path
Is in fact
Just a fault lineIt's in my blood, it's in my lungs
And it won't dieI fight these words, I bite my tongue
So I don't lieThough it's me to blame
There is no more shame in me
In meI just feel the same
Immune to all this pain
And the scars don't write a song for me at allI am a stone, unaffected
Rain hell down onto me
Flesh and bone, unaffected
Your fool I will not beI am a stone, unaffected (I am a stone)
Rain hell down onto me
Flesh and bone, unaffected (I am a stone)
Your fool I will not beI try to see and believe
In the short sight
Accept the burn of a vain
And a half-lifeAnd how you rest your faith in these for a lifetime
That hollow lie against my hope that I won't buyThough it's me to blame
There is no more shame in me
In meI just feel the same
Immune to all you say
And the scars don't write a song for me at all
No your tears won't line a path for me to crawlI am a stone, unaffected
Rain hell down onto me
Flesh and bone, unaffected
Your fool I will not beI am a stone, unaffected (I am a stone)
Rain hell down onto me
Flesh and bone, unaffected (I am a stone)
Your fool I will not beThe waters rise above my eyes
I will breathe it in and go out with the tide
And when you think this is the end
You will find me there where I have always beenI am a stone, unaffected
Rain hell down onto me
Flesh and bone, unaffected
Your fool I will not beI am a stone, unaffected
Rain hell down onto me

Flesh and bone, unaffected
Your fool I will not beI am a stone, unaffected (I am a stone)
Rain hell down onto me
Flesh and bone, unaffected (I am a stone)
Your fool I will not beI am a stone
I am a stone
