Jasmine (EXETER edit)

Jai Paul

Can you hear me, Jasmine?
Can you let me in?
Would you let me over?
Let a boy love youJasmineIs it 'cause I scheme?
Is it 'cause I knew?
She got the Jasmine
Moving it quickly past meJasmine
JasmineWhen I see her, Jasmine
What's a guy to do?
Please come back to me
Make my dream come true'Cause when it comes to heartbreak
What's a guy to do?
When I'm close to her
Make my dream come trueJasmine yeah
JasmineCan I meet you Friday?
Saturday, if it's your day?
Must be a real dream
'Cause it's all for meIs it good without me?
Is it pulling in?
'Cause I think I'm wrong
'Cause you're thinking of meWhen I see her, Jasmine
What's a guy to do?
Please come back to me
Make my dream come true'Cause when I'm close to her, babe
What's a little boy to do?
When I'm close to her
Make my dream come trueWhen I see you Jasmine
I know what you're thinking
Looking down on me
Don't you think I'm cool?When it comes to heart break
I don't wanna feel that way
Just go come back to me, baby
Make my dream come trueMake my dream come true
