

Hey Everybody

Bobby Rydell

We've all got troubles, we all make mistakes
Well let's not take a little river turn it into lake
We've all been humble, we've lost and we've found
But it can never get the best of us if we're not looking down
And I wonder, are there others like me

Yeah I wonder

I've got the whole world left to see
Hey everybody, if you listen to the beat
We'll celebrate it now by stompin' our feet
Hey everybody, do you know what I mean
We can get it dirty while we're keeping it clean

Na na na na

Na na na na

Na na na na

You got it bad well she's got it worse
She's got no chocolate in the bank account, no cheese in the purse
You're feel neglected with no self-esteem
Just when you finally found you're glitter someone's taken the gleam
When you wonder why is life always this way

Yes you wonder

Could there be a brighter day
Hey everybody, if you listen to the beat
We'll celebrate it now by stompin' our feet
Hey everybody, do you know what I mean
We can get it dirty while we're keeping it clean

Na na na na

Na na na na

Na na na na

And I wonder, wonder now

And I wonder, wonder now

Yes you wonder

Everybody won't you help me

Sing it one more time

So that everyone can hear you

Oh yeah-e-yeah, yeah, yeah, yeah

Hey everybody, if you listen to the beat
We'll celebrate it now by stompin' our feet
Hey everybody, do you know what I mean

We can get it dirty while we're keeping it clean
Hey, hey everybody if we're gonna take a stand
Now let the world hear you now by clapping your hands
Hey, hey everybody if you listen to the beat
Let the world hear you now but stomping your feet
I say, "Hey"
Na na na na
Na na na na
Na na na na
Let's celebrate here
Let me hear you stomp your feet
One more time, yeah, yeah
Na na na na
Na na na na
Na na na na
Hey, hey everybody
Hey everybody
Na na na na
Na na na na
Na na na na
Hey everybody
