

# No Way

## Long Beach Dub Allstars

Advisory - the following lyrics contain explicit language:

Like a punch in the face  
Or naked lady in a cake  
A hell of a surprise  
I gotta start collectin' flies  
I'm a devil in disguise I gotta keep the ball rollin' any way I can  
We gotta keep this music tight  
I got fifty kinds o' muthafuckas  
Right in my ass  
Telling me I ain't livin' right But I'm not gonna change for no one  
I'd never sell my soul  
Fuck you I'm not gonna take it  
I'm not an animal NO WAY! Buy a pen not a gun  
Don't take shit from anyone  
We all are walking down  
A very thin line  
Of doin' it for a reason  
And not just to make a dime You wanna see it happen anyway you can  
You wanna see your name in lights  
Swingin' like a pupper in a monkey suit  
I wonder how you sleep at night But I'm not gonna change for no one  
I'd never sell my soul  
Fuck you I'm not gonna take it  
I'm not an animal NO WAY! AHHHHHHH!  
AHHHHHHH!  
AHHHHHHH! But I'm not gonna change for no one  
I'd never sell my soul  
Fuck you I'm not gonna take it  
I'm not an animal But I'm not gonna change for no one  
I'd never sell my soul  
Fuck you I'm not gonna take it  
I'm not an animal NO WAY!  
NO WAY!

NO WAY!  
NO WAY!
