

Did You?

Brand New Sin

Did you ever wonder...
wonder why
The way you are
Deep inside...
Did you ever wanna...
run and hide
hide away with your prideDid you
Afraid of whats inside
Afraid to hurt your pride
Afraid of what you'll findDid you ever wanna
Run a road
away from everything
in your life
Did you ever question
question why
your exsistance and your strifeDid you
Afraid of whats inside
Afraid to hurt your pride
Afraid of what you'll findYeah My reason
Yeah My purpose
Yeah my ego
Yeah now did youAfriad of whats inside
Afraid to hurt your pride
Afraid of what you'll find
