

Why Do We Try

Ad Brown

Do I continue living by myself.
Milking the single life till my last breath?
I know I found someone to fulfill my needs.
Why do I need to question how it should be?
So why do we try, to let love pass us by
Question how we feel, that love is not for real.
Can I not be afraid to leave my cell at home?
When I get a ring can I keep it on?
It can be hard to break that family curse
Cause brother and daddys relationships did not work.
Seems they were getting married every week
Why the trouble if you know youre gonna cheat?
How do you say bye to the lovers of yesterday?
Cause nobody told you theres no easy way
So why do we try, to let love pass us by
Question how we feel, that love is not for real.
