

# The Love We Had (stays On My Mind)

**Dru Hill**

I just can't believe it girl  
I can't believe that it's over  
But I'm your man and I'll be alright  
But still the love we had stays on my mind  
Lately babe, I've been thinking  
How good it was when you were here  
And it ain't the wine that I've been drinking  
For once I feel my head is clear  
But early this morning  
When I opened up my eyes  
That old lonesome feeling took me by surprise  
I guess you meant more to me than I realized  
The love we had stays on my mind  
(Stays on my mind)  
The love we had stays on my mind  
[Incomprehensible] And lately girl, I've been remembering  
The good times that we used to share  
My thoughts of you don't have an ending  
And memories of you are everywhere  
But what should I tell you, it's not your concern  
You win some, you lose some, well, I've lost and I've learned  
Sisqo's so lonely with no place to turn  
[Incomprehensible], yes I do  
The love we had stays on my mind

Girl if you were nearer, if you had a mirror  
Maybe you could count my tears  
(You don't know, don't know how I cry baby)  
And if you were nearer, it would all be clearer  
(I want you right here, I want you right here next to me)  
How I wish that you were hear  
How I wish that you were hear  
(Oh, baby)  
How I wish, oh I wish  
How I wish that you were here  
And baby girl, I was tired  
So I laid down to dream for a little while  
But lately I've been so, so uninspired  
Without the comfort of your smile

But I'm not complaining 'cause that's how it goes  
There's always some heartache in this world, I suppose  
Huh, listen to me, but you can't imagine, but nobody knows  
Nobody knows baby, that the love stays on my mind  
(The love we had stays on my mind)  
(The love we had stays on my mind)  
The love we had stays on my mind  
The love we had stays on my mind  
The love we had stays on my mind
