Have a Good Time

Paul Simon

Yesterday it was my birthday
I hung one more year on the line
I should be depressed, my life's a mess
But I'm having a good timeOh, I've been loving and loving and loving
I'm exhausted from loving so well
I should go to bed but a voice in my head
Says, "Ah, what the Hell"Have a good time
Have a good time
Have a good time
Have a good timeParanoia strikes deep in the heartland
But I think it's all overdone
Exaggerating this and exaggerating that
They don't have no funI don't believe what I read in the papers
They're just out to capture my dime
I ain't worrying and I ain't scurrying
I'm having a good timeHave a good time
Have a good time
Have a good time
Have a good timeMaybe I'm laughing my way to disaster
Maybe my race has been run
Maybe I'm blind to the fate of mankind
But what can be done?So God bless the goods we was given
And God bless the U. S. of A.
And God bless our standard of livin'
Let's keep it that way and we'll all have a good timeHave a good time
Have a good time
Have a good time
Have a good timeHave a good time
Have a good time
Have a good time
Have a good time
