I Can Sing a Rainbow

The Dells

Blue, blue, my world is blue
Blue is my world now I'm without you
Gray, gray, my life is gray
Cold is my heart since you went awayRed, red, my eyes are red
Crying for you alone in my bed
Green, green, my jealous heart
I doubted you and now we're apartWhen we met how the bright sun shone
Then love died, now the rainbow is goneBlack, black, the nights I've known
Longing for you so lost and alone
