

This Is To Mother You

Emmylou Harris

This is to mother you
To comfort you and get you through
Through when your nights are lonely
Through when your dreams are only blue
This is to mother you This is to be with you
To hold you and to kiss you too
For when you need me I will do
What your own mother didn't do
Which is to mother you All the pain that you have known
All the violence in your soul
All the wrong things you have done
I will take from you when I come All mistakes made in distress
All your unhappiness
I will take away with my kiss, yes
I will give you tenderness For child I am so glad I've found you
Although my arms have always been around you
Sweet bird although you did not see me
I saw you And I'm here to mother you
To comfort you and get you through
Through when your nights are lonely
Through when your dreams are only blue
This is to mother you
