

# I Give All My Love To You (With Russell Moore)

**Rhonda Vincent**

I never thought I'd find the love  
I'd searched for all my life  
Someone to share and comfort  
I envisioned in my mind  
And when I wasn't looking  
You appeared before my eyes  
Just you and me forever  
And today I'll make you mine Someone so strong and special  
That brightens every day  
A shoulder to cry on  
A friend in every way  
Passionately waiting  
To start my life anew  
These vows we speak before us  
I give all my love to you A loving smile each morning  
Arms to hold me tight  
Lips to kiss the pain away  
When things don't go just right  
Our love will see us to the end  
When God says we will part  
But until then you'll be the one  
Each day I'll share my heart Someone so strong and special  
That brightens every day  
A shoulder to cry on  
A friend in every way  
Passionately waiting  
To start my life anew  
These vows we speak before us  
I give all my love to you
