

Am I Blue

Ray Charles

Am I blue? Am I blue?
Ain't these tears
In these eyes telling you? Am I blue? You'll be too
If your schemes like your dreams
Done fell through Was a time, I was her only one
Now I am the sad and lonely one
Oh, yes I am Was I gay 'til today?
Now she's gone and we're through
Am I blue? Was a time, I was her only one
Now I am the sad and lonely one
I'm such a lonely one Was I gay 'til today?
Now she's gone and we're through
Am I blue?
