Am I Blue

Ray Charles

Am I blue? Am I blue?

Ain't these tears

In these eyes telling you?Am I blue? You'll be too
If your schemes like your dreams

Done fell throughWas a time, I was her only one
Now I am the sad and lonely one
Oh, yes I amWas I gay 'til today?
Now she's gone and we're through
Am I blue?Was a time, I was her only one
Now I am the sad and lonely one
I'm such a lonely oneWas I gay 'til today?
Now she's gone and we're through
Am I blue?
