# The Other Side (Plvn Remix)

## French For Rabbits

They're all running to the beach
To wash their bodies clean
To wash their minds clean
'Cause they all wanna leaveThe waves won't stop you
They won't forgive you
Only you can stop it
Make the right choices
Leave your vices at the door
And do the right thingThey're all making excuses
They're all lying through their teeth
Say their pass ruined (?)
Their entire future
But what do they really knowThe waves won't stop youOnly you can stop it
Make the right choices
Leave your vices at the doorAnd I'll wait for you on the other side
I'll wait for you on the other side (2x)
The other side, I'll wait for you
I'll wait for you on the other side (3x)
The other side
