

# Subway Angel's Caravan

## Rough Silk

Someday - time will tell - you will see  
what a gift this life is - we  
are meant to be  
freewhen we leave this world behind  
the magic of the night  
leads the naked and the blind  
to the other side  
of a dreamer's golden mind  
and forevers burn so bright  
turn around and you will find  
another shinin' lightdown on senseless avenue  
all your fantasies come true  
welcome home, my chosen fewwhen your hot gets a little cold  
when your young gets a little old  
your now gets a little then  
- subway angel's caravanwhen your hot gets a little cold  
when your young gets a little old  
lost souls will be found again  
- subway angel's caravanthere's a seat that knows your name  
when things have gone astry  
and there's no one left to blame  
'cause your friends all went away  
i'm your destiny tonight  
got a billion songs to play  
i'm the reason you've denied  
and the clown of life's decaydown on senseless avenue....."love rules" says the neon sign  
"trust calls when your blood is wine..."  
when your hot gets a little cold.....
