

For Once In My Life

Michael Buble

For once in my life
I've got someone who needs me
Someone I've needed so long
For once unafraid
I can go where life leads me
And somehow I know I'll be strong
For once I can touch
What my heart used to dream of
Long before I knew
Someone warm like you
Could make my dreams come true
For once in my life
I won't let sorrow hurt me
Not like it's hurt me before
For once I've someone
I know won't desert me
I'm not alone anymore

For once I can say
This is mine, you can't take it
As long as I know I've got love, I can make it
For once in my life
I've got someone who needs me
At least for once I can say
This is mine, you can't take it
As long as I know I've got love, I can make it
For once in my life
I've got someone who needs me
For once in my life
I found someone
For once in my life
I've got someone who needs me
