

Love In the Afternoon

Jerry Garcia Band

Love, love in the afternoon

Outside the window an organ grinder's tuneRhythm, wine; touch of Jamaica, twilight time with a Kingston lady
All the time in the world for me and that girlSweet, she sang sweetly; come back soon
Come back for more of that love in the afternoonBreezes blow by me in the afternoon
She sings sweetly an organ grinder's tuneFinally recovered from last year's round of bye bye baby blues
All I crave today some love in the afternoonLove, love in the afternoon
It's easy as she goes, like an organ grinder's tuneGone with the moon any old trouble it can't leave too soon
Trouble's no part of what I want 'specially in the afternoonSingin', sleepin' till two
Wakin' to make more love in the afternoon
