

What a Shame

[Emma Forman](#)

Oh what a shame we both said it would be forever
You're the closest I've come to getting married
You're the closest I've come to starting a family
Oh what a shame it seems like a better idea to you
Just to completely destroy me Oh what a shame true love don't work out
Oh what a shame true love is unemployed
It's like the rest of the UK
Unemployed and waiting on giro day
Oh oh oh what a shame
What a shame true love don't work out
And what a shame I've waited
And what a shame I've waited for you
Oh what a shame I guess true love don't work out
Oh what a shame I guess true love is unemployed
Waiting on giro day like rest of the UK
True love is unemployed
What a shame I guess true love don't work out
What a shame
Just waiting on giro day
What a shame I guess true love don't work out, it's unemployed
What a shame I guess true don't work out
Oh what a shame true love is unemployed
What a shame waiting on giro day
what a shame
True love don't work out, yeah
