Don't Care How You Feel About It

Combichrist

I got a feeling that is true
You know there's nothing left to do
And there is nothing to be toldYou know us all, it's getting oldAnd there is nothing left to feel
We shall see about it
There is nothing left to say
You're already nobodyYou really never had a clue,
Our start brought nothing to the end
A million tears shapes a path
I know it's cold, believe we're deadAnd i don't really care how you feel about it, now i got it
And all the shackles in my head, you always knew about itHow you feel about it,
How you feel about it,
How you feel about it,
How you feel about it,
How you feel about it,
How you feel about it,
How you feel about it,
How you feel about it,
How you feel about it,
How you feel about it,
How you feel about it,
How you feel about it,
How you feel about it,
How you feel about it,
How you feel about it,
How you feel about itI don't care how you feel about it,
There's nothing really in it for me
I don't care how you feel about it,
There's nothing in your world for meI don't care how you feel about it,
There's nothing really in it for me
I don't care how you feel about it,
There's nothing in your world for meI got a feeling that is true
You know there's nothing left to do
And there is nothing to be told
You know it all, it's getting oldAnd there is nothing left to feel
We shall see about it
There is nothing left to say
You're already nobodyHow you feel about it,
How you feel about it,
How you feel about it,

How you feel about it,
How you feel about it,
How you feel about it,
How you feel about it,
How you feel about it,
How you feel about it,
How you feel about it,
How you feel about it,
How you feel about it,
How you feel about it,
How you feel about it,
How you feel about it,
How you feel about it,
How you feel about itI don't care how you feel about it,
There's nothing really in it for me
I don't care how you feel about it,
There's nothing in your world for meI don't care how you feel about it,
There's nothing really in it for me
I don't care how you feel about it,
There's nothing in your world for me
