

# The End

## Best Coast

Oooh  
Oooh I walked to the bottom of my block and thought about how you  
How you  
How you'd be home soon  
How you  
How you'd be home soon Oooh  
Oooh Last night I went out with this guy  
This guy  
He was nice  
He was nice and cute  
But he  
He wasn't you You say that we're just friends  
But I want this 'til the end  
You say that we're just friends  
But I want this 'til the end, the end  
'til the end Oooh  
Oooh Why do we have to make this hard when it doesn't have to be  
Why do we have to make this hard when it doesn't have to be You say that we're just friends  
But I want this 'til the end  
You say that we're just friends  
But I want this 'til the end, the end  
'til the end
