Feeble

Slick Shoes

Nothing can replace the way
I felt when I saw you standing there, but that's not true
There was that time you called to say, "Hello"A single moment in time I have to go
You said, "Goodbye"
I wrote a note to tell you, I'd missed you sinceI've walked around this crazy town
And tried to find someone like you
Just got lost along the wayTried to find someone
That fits the hole you left inside of me
Just got lost along the wayWish, I could get you out of my mind
Out of my thoughts and into my life
Where I'd keep you 'til the end of timeNo one could touch you, no one could hurt you
I'd like to be there when you call home
Only if you'd let me be the oneI've walked around this crazy town
And tried to find someone like you
Just got lost along the wayTried to find someone
That fits the hole you left inside of me
Just got lost along the wayDo you remember when we went walking hand and hand?
Do you remember when we thought it would never end?
Do you remember when we went walking hand and hand?
Do you remember when we thought it would never end?Do you remember when we went walking hand and hand?
Do you remember when we thought it would never end?
