

# Sing Glory

Beres Hammond

Intro:

He gave us life, he gave us dreams  
Still some people act like we're still in chains

When there's so much in life  
To live for and to be thankful for

Chorus:  
You should a sing glory now

Sing glory glory now

Sing glory now, sing glory

Verse 1:  
Praises for the sun and the moon

We thank you for your light

Praises be for the rain and the breeze

Most important to life

Praises be to life itself

Even when days are bad

And when I rise to see another day

Glory be to God

Repeat Chorus 2x

Verse 2:  
Children of god don't worry too much

A new day is on the rise

Don't be discouraged be strong my friend

You're bound to win your big prize

Come my little sister, please my little sister

Bear out with your man

It's not everyday the seas gonna be rough

The sun is bound to come

Repeat Chorus 2x

Interlude:  
There's so much in life

That we should be thankful for

He gave us life, he gave us dreams

Repeat Verse 2

Repeat Chorus 2x
