Black Star Deceiver

Soilwork

Black star whenever you're ready
You're much too far away
By now your soul seems steady
Now crawl to the crossMeanwhile time takes a turn
I'm feeling damned when you make it burn
Let's testify you're born to die
You speak the truth and so do IDon't give it away
Don't give it away
Don't try to nail
Don't you try to nail
Don't try to nailBlack star whenever you're ready
You're much too far away
By now your soul seems steady
Now crawl to the crossBlack star deceiver kills it all
The sun lies waiting for a callYou seem to be a fatal one
Come watch me preach under the gun
I'm down and out, so down and outBlack star whenever you're ready
You're much too far away
By now your soul seem steady
Now crawl to the crossBlack star deceiver kills it all
The sun lies waiting for a callBlack star deceiver kills it all
The sun lies waiting for a callTake me away, I'm in distress
Oh, grand deceiver, put me to rest
I was never in pain, sick or insane
So hear me now you're the one that I blameMeanwhile time takes a turn
I'm feeling damned when you make it burn
Let's testify you're born to die
You speak the truth and so do IDon't give it away
Don't try to nailBlack star whenever you're ready
You're much too far away
By now your soul seem steady
Now crawl to the crossBlack star deceiver kills it all
The sun lies waiting for a callBlack star deceiver kills it all
The sun lies waiting for a call
