

Heatseeker

AC/DC

oooooo get ready

get ready to rock

get ready to roll

i'm gonna turn up the heat

i'm gonna fire up the coal

i gotta keep that motor turning

i gotta keep that engine clean

i gotta keep those tires burning

i've got the best you've ever seen

and i'm a heatseeker

charging up the sky

and i'm a heatseeker

and i

i don't need no life preserver

i don't need no one to hose me down

to hose me down

get ready to break

get ready to go

get your shoes off and shake

get your head down and blow

you gotta keep that women firing

you gotta keep that serpent clean

you gotta make her sound the siren

you gotta hear that lady scream

cause i'm a heatseeker

burning up the town

and i'm a heatseeker

and i don't

i don't need no life preserver

i don't need no one to hose me down

don't hose me down

(:D angus young guitar solo! :D)

heatseeker

i wanna see him get up

and see the whites of your eyes

and i'm a heatseeker

(heatseeker)
i'm gonna measure you up
i'm gonna try you for size
and i'm a heatseeker
gotta keep that motor turning
you gotta keep that engine clean
you gotta keep those tires burning
i've got the best you've ever seen
and i'm a heatseeker
heatseeker
and i
i don't need no life preserver
i don't need no one to hose me down
woah i'm a heatseeker
and i'm a heatseeker
heatseeker

out on the street!
feel the heat!
