

# The Promise You Made

## Cock Robin

If I laid down my love to come to your defense  
Would you worry for me with a pain in your chest?  
    Could I rely on your faith to be strong  
    To pick me back up and to push me along?  
    Tell me You'll be there in my hour of need  
        You won't turn me away  
        Help me out of the life I lead  
        Remember the promise you made  
Remember the promise you made If I gave you my soul for a piece of your mind  
    Would you carry me with you to the far edge of time?  
    Could you understand if you found me untrue  
    Would we become one, or divided in two  
Please tell me You'll be there in my hour of need  
        You won't turn me away  
        Help me out of the life I lead  
        Remember the promise you made  
Remember the promise you made Could I rely on your faith to be strong  
    To pick me back up and to push me along  
Please tell me You'll be there in my hour of need  
        You won't turn me away  
        Help me out of the life I lead  
        Remember the promise you made  
Remember the promise you made Remember the promise you made  
    Remember the promise you made
