

# Let's Fall In Love

[Diana Krall](#)

I have a feelin', it's a feelin'  
I'm concealin', I don't know why  
It's just a mental, a sentimental  
Alibi  
But I, adore you  
So strong, for you  
Why go on stallin'  
Love is calling  
And I am falling  
And why be shy Lets fall in love  
Why shouldn't we fall in love?  
Our hearts are made for it, let's take a chance  
Why be afraid of it?  
I'll tell you why Lets close our eyes and  
Make our own paradise  
Little we know of it, still we can try  
To make it goin'  
Mm, mm, mm We might haven't meant for each other  
To be or not be, let our hearts discover Lets fall in love  
Why shouldn't we fall in love?  
Now is the time for it, while we are young  
Let's fall in love We might have been meant for each other  
To be or not be, let our hearts discover Lets fall in love  
Why shouldn't we fall in love?  
Now is the time for it, while we are young  
Lets fall in love  
Lets fall in love  
Lets fall in love Lets fall in love
