Prisoner (feat. Fabrizio Moretti)

Har Mar Superstar

Put me to the test
I'm under arrest, girl
And we won't sleep
'til the streets are clean
And the levy broke now
We got fire before smoke somehow
The results are in
Negatives a positive'Cause I'm a prisoner of love
when it rains it pours
when I toughen up now
You'll take me back in your arms'Cause I'm a prisoner of love
when it rains it pours
when I toughen up now
You'll take me back in your arms
Put me behind bars
No more livin' large, girl
We're flirting with danger
Dancing with strangers
It's just you and me, girl
Inmate number 7 1 5 2hundred 3
And you will be my captor
My sunshine, my good times, my laughter'Cause I'm a prisoner of love
when it rains it pours
when I toughen up now
You'll take me back in your armsTalk ain't always cheap now
I made a promise that I'm gonna keep somehow
Show you what I'm made of
A little prisoner, yeah prisoner
'Cause I'm a prisoner of love
when it rains it pours
when I toughen up now
You'll take me back in your arms'Cause I'm a prisoner of love
when it rains it pours
when I toughen up now
You'll take me back in your arms
