

Angel

Jack Johnson

I've got an angel
She doesn't wear any wings
She wears a heart that could melt my own
She wears a smile that could make me want to sing
She gives me presents
With her presence alone
She gives me everything I could wish for
She gives me kisses on the lips just for coming home
She can make angels
I've seen it with my own eyes
You got to be careful when you've got good love
'Cause them angels will just keep on multiplying
But you're so busy changing the world
Just one smile and you could change all of mine
We share the same soul
Oh oh oh ohh We share the same soul
Oh oh oh ohh
We share the same soul
Oh oh oh ohh
Oh oh oh ohh
Mmm mmm mmm mmm
