# Giving Up

## Mark Tremonti

So you think you know what light will guide you home?
You were enlightened, now disgraced and now you're gone
So you think you know what time may take away?
How it steals your life, still you forget the pain
You are not alone
You know I'm right
You were safe beforeI don't know when I might give in
It's haunting me again
And I feel like just giving up
Today how it wears me thin
I'm weakening again
And I feel like just giving
(Just giving)Can you see and can you comprehend no more?
You're uninspired by the truth of who you are
You were entitled to the hope you cast away
Now hold that pity in your heart until it breaks
You once had it all
You know I'm right
You were safe beforeI don't know when I might give in
It's haunting me again
And I feel like just giving up
Today how it wears me thin
I'm weakening again
And I feel like just giving
(Just giving)Oh, how will you when it's gone
How will you break your fall?
And oh, and will you wake from this?
How will you make it right?
Oh, it happens like before
Again you've lost your way
(You know I'm right)I don't know when I might give in
It's haunting me again
And I feel like just giving up
Today how it wears me thin
I'm weakening again
And I feel like just giving up!
