

# I Miss You (acoustic)

## Incubus

To see you when I wake up  
Is a gift I didn't think could be real

To know that you feel the same as I do  
Is a three-fold utopian dream

You do something to me that I can't explain  
So would I be out of line if I said  
I miss you?

I see your picture  
I smell your skin on the empty pillow next to mine

You have only been gone ten days  
But already I'm wasting away

I know I'll see you again  
Whether far or soon

But I need you to know that I care  
And I miss you
