

Marijuana

Kottonmouth Kings

im just gunna be gettin stoned
till marijanas legalized
marijuana
im just gunna be gettin stoned
cause it makes everything alright
marijuanamarijuana yeah my one and only
she keeps me company when im feeling lonely
we go together like cheese and bologna
if i was made of weed shit i'd even try to clone me
natures gift you have uplifting powers
a couple hits and im lit for hours
im talking high high like then a high tower
i like my skunk sweet and my diesel souryeah im smokin bud ya know its time to get it off
roll it in a joint you can put it in a bong
fill a blunt up smoke it till its dust
theres no need to hurry theres no need to rush
feel the rush when im all up in the cut
see me slowing down while you cats is speeding up
never to fast
i creep like a low rider
fuck the clocks when i puff[chorus]
im a bout to lose control
pack myself another bowl
cause marijuana helps me with my mind
marijuana
helps me open up my soul
powers of the magic bowl
everything is better when your high
marijuanahey dude i saw that show
did you see it on weed
well no i don't smoke
if you know what i mean
when your stoned theres a different zone your brains in
people get to laughing at jokes even im a comedian
imma keep continuing fight till its legalized
every time that i am getting high
so tell me why you wanna fuck with me
come on dawg let a stoner go for freenow you needa burn a bag your sack yeah
break out your bong dawg where are you at at

yeah we smoke kush and we smoke green crack
roll it in this blunts yeah the bus in the back
always smoked out
always on clouds
i got the killa chronic and the dirty dirty mouth
24/7 stay high ever day
k-m-k stay blazed[chorus]
im a bout to lose control
pack myself another bowl
cause marijuana helps me with my mind
marijuana
helps me open up my soul
powers of the magic bowl
everything is better when your high
marijuanaim just gunna be gettin stoned
till marijuna legalized
marijuana
im just gunna be gettin stoned
cause it makes everything alright
marijuanamarijuana cannabis sativa
chronic pains stress relever
you the giva i am the reseva
mary jane gonna make me a beilever
did ja did ja oh thank ya teacher
for teaching me to reach a lil deeper
so old school i still call it reefer
marijuanaim a bout to lose control
pack myself another bowl
cause marijuana helps me with my mind
marijuana
helps me open up my soul
powers of the magic bowl
everything is better when your high
marijuana
