Cheated

The Sinking Ships

(Verse 1)
No one can tell me,
That you we're right for me girl
You coulda told me, to run a lap around the world
All that time I was hypnotized
While you *moan* behind my back
Now my mind keeps me up all night
Why'd you have to say bye like that
(Chorus)
I should have cheated on you (*howl*)
I was everything you wanted and more
I should have cheated on you (*howl*)
Nobody told me I was dating a whore
I should have cheated cheated cheated (x4)
(Verse 2)
My friends should have told me
You're weren't the one for me girl (you weren't the one for me girl)
Cause you almost sold me

I bought a rock for you girl (I bought a rock)
All that time I was hypnotized
While you *moan* behind my back
Now my mind keeps me up all night
Why'd you have to say bye like that
(Chorus)
(verse 3)
Oh why oh why
Hey girl
You goin tell all your friends
That I'm talking about you
I'm talking about you
You goin tell (x2)
all your friends that I'm talking about you
I'm talking about you (x2)
Caroline Stevens this song is for you
(Chorus)
